## Events

---

**Title** **Smart Sensors and Tailored Environments for Physical Therapy in IoT Eras**

**Event Category** Professional

**Event Sub-category** Professional (Other)

**Description** Smart Sensors and Tailored Environments for Physical Therapy in IoT Eras

**Keywords** Engineering in Medicine and Biology Electromagnetic Compatibility Internet of Things

**Guest Attendance** 80

**IEEE Member Attendance** 5

**Start Time** 27 March 2019 04:00 PM

**End Time** 27 March 2019 06:00 PM

**Time Zone** Europe/Bucharest

**Cosponsor Name** EMB18

**Contact E-mail** alexandru.morega@iem.pub.ro

**Contact Info** <p>University POLITEHNICA of Bucharest, the Faculty of Medical Engineering</p>

---

## Location

**Region** 8

**Section** ROMANIA

**OrganizationalUnit** (section)

**Address 1** Polizu

**City** Bucharest

**State/Province** Municipiul Bucuresti

**Country** Romania

**Postal Code** 0060042

---

## 2nd Speaker

**Topic** Measuring Biological Interactions at the Single-Molecule Level by Atomic Force Microscopy

**Prefix** Prof.

**First Name** Octavian-Adrian

**Last Name** POSTOLACHE

**Display Name** Octavian-Adrian Postolache

**Address 1** Instituto de Telecomunicações, Lisboa, Portugal

Address 2 Av. Rovisco Pais 1  
City Lisbon  
Country Portugal  
State/Province Lisboa  
Postal Code 1049-001  
E-Mail Address opostolache@lx.it.pt  
Organization Instituto de Telecomunicações, Lisboa, Portugal

---

### Submission Info

Submitted On 20 January 2020 09:39 PM  
Submitter Alexandru Morega  
Submitter Email amm@iem.pub.ro

"Providing tools to the volunteers and staff who support our members."
